HISTORIC AMERICAN BUILDINGS SURVEY

BRINKMANN FARM

HABS No. MO-1762

Location: South of Highway 50, Bay vicinity, Gasconade County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

West half built 1889, east half earlier by A.F. Brinkmann, father of present owner. Brinkmann possibly a son of Francis William and Wilhelmina C. Gehner Brinkmann (Goodspeed's History, 1077). Francis William was born in Prussia in 1820, emigrated to the U.S. about 1849 and spent the latter part of his life on Third Creek (Gasconade County), where he had just completed a stone house in 1874 when he died.

House is two and one-half story magnesian limestone with metal roof, heated by stoves. Two stones are set in the gable end of the 1889 addition; one with the letters, "A.F.B." and the second with the date, "1889" carved on them. Front porch seems to date from period of 1889 west half.

Stone barn and summer kitchen, a double brick privy, a log barn, and a log corn crib date from the early 1870s.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the [REDACTED] records for MO-1800.
